

Muskoday First Nation Committee Opportunity

POST SECONDARY EDUCATION COMMITTEE

The objective of the Muskoday First Nation Post Secondary Student Support Program is to sponsor students who are members of the Muskoday First Nation to gain access to Post-Secondary Education. The goal of the Program is to graduate students with the qualifications and skills needed to pursue individual careers and to contribute to the achievement of Indian self-government and economic self-reliance.

The Program provides financial support to Muskoday First Nation Membership students for tuition and living allowance while in training. The Program outlines the criteria to be met by students to qualify for sponsorship, the areas, and levels of financial support available through the Program, and limits and duration of support entitled to qualified students.

The Post Secondary Committee will:

- Understand of the MFN Post Secondary Policy.
- Follow, submit recommendations to change or update the MFN Post Secondary Policy.
- Follow the Policy rules and regulations when selecting the candidates for funding.
- Attend regular scheduled meetings.
- Work in collaboration with the MFN Post Secondary Coordinator and Post Secondary Organizations.
- Decisions must be based on the best interest of students while following the guidelines.
- Minutes will be recorded and submitted before the next scheduled meeting by the Committee members.
- Maintain confidentiality.

Interested Individuals should have:

- Knowledge or experience of post secondary education.
- Uphold the MFN Confidentiality Agreement.
- Excellent communication skills both verbal and written.
- Be able to make unbiased informed decisions.

Deadline: Will remain open until filled.
