

Night Shift Fabricator

Job Posting

KWS Keys Welding Service Ltd., a division of the STC Industrial Group of Companies, is a First Nations owned welding and fabrication shop delivering safe, competitive, quality services to our clients, and engagement and growth to Indigenous communities and people.

KWS Keys Welding Service Ltd has an exciting opportunity for a Night Shift Fabricator located at our facility in the North Corman Industrial Park.

Responsibilities:

- Ability to read blueprints and drawings.
- Determine the appropriate welding equipment or method based on requirements.
- Responsible for accurately filling out process sheets daily logs as project documentation is required.
- Performing first level of quality control.
- Rig, hoist and move materials to storage areas or within worksite.
- Accurately lay out the work piece for fitting of components for, drilling or punching of holes, bending of plates and material edge preparation. (Chamfer, Bevel, Flame Cut, Plasma)
- Maintain equipment in a condition that does not compromise safety.
- Maintain safe working place by using safe work practices.

Qualifications:

- Journeyperson Fabricator
- 3-5 years experience
- CWB Ticket, SMAW, GMAW, All Position, and SCOT Training.
- Highly motivated, providing exceptional leadership and interpersonal skills.
- Well organized and possess great attention to detail in order to produce high quality work in a fast paced environment, while ensuring proper safety standards are met.

What We Offer:

- Competitive wage based on experience
- A positive and inclusive work environment
- Benefits package, including health and dental
- Company matching Registered Pension Plan program
- 4 – 10's night shift

Please submit a cover letter and resume to apply@stcigroup.ca

Indigenous candidates are strongly encouraged to apply. TD1-IN Exemption is available for status employees.

We thank all applicants for their interest; however, only those candidates selected for interviews will be contacted.
